Britain's braced for new Beast

WEATHER patterns which sparked the Beast from the East and brought freezing temperatures and heavy snow last winter could return this year, warn forecasters.

But the Met Office stressed some parts of Britain will see above average temperatures for January over the weekend.

It said sudden stratospheric warming had appeared around Christmas, when there was a sharp increase in the temperature over a couple of days.

When this happens in the Arctic it can lead to a rush of cold air blowing eastwards across Europe a few weeks later, bringing cooler temperatures to the continent.

But a Met Office spokesman said while Britain being hit by a new Beast from the East could not be ruled out, the forecast so far suggests the UK will see stable conditions.

Rapped energy firm collapses

GAS and electricity supplier Economy Energy, recently banned from taking on new customers, has collapsed.

The supply to its 235,000 domestic customers will continue, any credit they have will be protected, and a new supplier will take on their accounts.

Regulator Ofgem, who on Friday had ordered the firm to improve customer service, said a new supplier would be appointed as soon as possible.

Economy Energy is the latest of a host of small suppliers to fold.

GOVE'S ASTONISHING CABINET BLAST AT HARD-LINE BREXITEERS

'Rees-Mogg is like a swinger waiting for Scarlett Johansson to turn up'

WISHFUL THINKING: Rees-Mogg, Scarlett and Gove (below)

MICHAEL Gove told Cabinet colleagues hardline Eurosceptics like Jacob Rees-Mogg are like "swingers" at an orgy "waiting for Scarlett Johansson to turn up!"

The bizarre barb from the Environment Secretary came as Cabinet met to discuss the prospects of Theresa May's Brexit deal getting through the Commons next week.

The PM is scrambling to win over muttonous MPs as she faces a disastrous defeat, but ministers have been going all-out to make clear to critics that killing off the package will not result in their ideal vision of Brexit – as some Tories hope.

At Cabinet yesterday, Work and Pensions Secretary Amber Rudd warned that history would take a "dim view" if the government allowed the UK to leave with no deal, saying the country would be less safe.

Ms Rudd insisted politicians that had to accept the world "as we find it, not as we wish it to be".

She was backed by Mr Gove who compared Brexiteers who are refusing the accept the Withdrawal Agreement – such as Jacob Rees-Mogg – to over-picky swingers who were waiting for the perfect

partner to arrive at a party.

Responding to Mr Gove's reference to the Hollywood actress, Ms Rudd quipped that some MPs might be waiting for Pierce Brosnan.

Unicorn

Justice Secretary David Gauke, who has condemned wishful thinking by Brexiteers, waded in to say that Labour seemed to be holding out for Scarlett Johansson "on a unicorn".

Jeremy Corbyn has said he wants the UK to be in a customs union

but able to strike trade deals elsewhere – something Brussels has flatly rejected.

Home Secretary Sajid Javid is also said to have spoken negatively about the consequences of no deal, suggesting the government's ability to tackle illegal immigration might be reduced.

With the prospect of Mrs May's plan passing the Commons looking remote, opponents are pushing their own visions of how to proceed.

Labour's Yvette

Cooper and Tory former education secretary Nicky Morgan have yesterday tabled an amendment to the Finance Bill designed to make it harder for the government to press ahead with no deal.

The change would effectively limit the Treasury's tax-raising powers, making it more difficult to respond to any disruption from leaving the EU without a deal in place.

BERCOW BRANDS PARLIAMENT PROTESTS 'FASCIST'

COMMONS Speaker John Bercow has described the abuse and harassment of MPs outside Parliament "a type of fascism" and called for a change of policing policy.

He said recent incidents, including Tory MP Anna Soubry being verbally abused on Monday, were "intolerable".

More than 60 MPs have called on police to improve their response to abusive protesters.

The Metropolitan Police have said they are ready to "deal robustly" with any instances of criminal harassment. Deputy Assistant Commissioner Laurence

Taylor said the force was continuing to assess whether any crimes had been committed, following a third-party report of a public order offence on College Green, opposite the Houses of Parliament.

Rights

He said: "Our role is to facilitate peaceful protest and balance the needs and rights of all those present, including protesters, MPs and

DEMANDS: Bercow and Ms Soubry

members of the public." Ms Soubry was shouted at and called a liar and a Nazi during live TV interviews on BBC News and Sky.

The former minister was later called "scum" and jostled as she tried to re-enter the Palace of Westminster.

She criticised police for not intervening and called for the protesters to be prosecuted.

College Green – the area opposite Parliament – is regularly used by media to interview MPs, as well as being a popular site for protesters to gather.

Salmond wins case against Scottish govt

THE Scottish government has admitted acting unlawfully while investigating sexual harassment claims against Alex Salmond.

Allegations against the former first minister (above), which he denies, were made to the Scottish government a year ago.

The government has now admitted it breached its own guidelines by appointing an investigating officer who had "prior involvement" in the case.

It conceded defeat in its legal fight with Mr Salmond.

Speaking outside the Court of Session in Edinburgh, Mr Salmond said the case had resulted in "abject humiliation" for the Scottish government, which he led from 2007 until 2014.

He added: "I never thought it possible that at any point I would be taking the Scottish government to court."

"While I am glad about the victory which has been achieved today, I am sad that it was necessary to take this action."

Dame Barbara's hubby: She asked 'Who are you?'

THE husband of Dame Barbara Windsor has revealed the heartbreaking moment she didn't recognise him as the actress battles with dementia.

Dame Barbara, 81, was diagnosed with Alzheimer's in 2014, although the condition was only made public last year.

Scott Mitchell said: "The day you dread is for that day they may not recognise you and I experienced that maybe about two months ago or so."

"She did look at me and say 'I'm sorry, who are you?'"

"It was very hard, it instantly hurt, I remember that, and I just kept talking. I said 'it's me Bar, it's Scott', I said 'don't worry, you're just having one of those moments'."

"She got very upset because she realised what she'd done."

THE GREAT CHICKEN W**K OFF!

STUNNED:
Bake star

TELLY baking star Mary Berry was stunned into silence when a comedian told her a joke about MASTURBATING A CHICKEN, it has been revealed.

The national treasure was recording a cookery show with the camp comic Joe Lycett when he dropped the FOUL gag.

"She said 'you're a comedian, tell us a joke'," Lycett confessed.

"I was wracking my brains and the only one that came to mind was about chicken, because we were making a chicken pie.

Jerk

"So I said that I once misunderstood the meaning of 'jerk chicken' – and now I'm not allowed within five miles of a farm.

"She laughed and said, 'Oh I like that.... what does it mean?'

"And I said 'It's about wanking off a chicken', because I was confident

from the fact that she'd laughed.

"And there was a silence. Then she just said, 'let's carry on with the pastry'.

Lycett told the filthy tale on the Richard Herring Leicester Square Theatre Comedy Podcast.

He appeared on Mary Berry's Christmas Party on BBC One last month – but any mentions of interfering with poultry had been cut out.

TOFF'S GOT A LOVELY BUNCH OF COCONUTS!

STUNNA Georgia Toffolo teased her 1.9million followers with her latest shot.

The 24-year-old *Made in Chelsea* babe has been enjoying a much-earned break in Barbados, flaunting her hot bikini body on the beach.

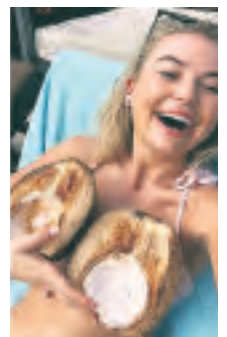

Though for her latest shot, gorgeous Georgia – who won *I'm A Celeb* 2017 – took sex appeal to new heights as she posed up a storm for a playful selfie.

Laying back on a blue towel in the sun, the reality TV vixen flashed a cheeky smile at the camera.

Setting Instagram on fire, the blonde bombshell had stripped down to a tiny, pink string bikini for her big reveal.

And provocatively, she showed off her lovely pair of coconuts to all her devoted viewers.

Not leaving much to the imagination, the *This Morning* reporter saucily captioned the image: "My massive knockers."

Life's a beach for stunna Lizzie

STUNNING Lizzie Cundy makes waves in Barbados in her barely-there bikini.

The beauty flew out to the West Indies for Simon Cowell's big New Year bash and was snapped sunning herself on one of the island's pristine beaches.

Lizzie, 50, a regular on the island, put in an appearance at the *X Factor* boss's annual star-studded extravaganza.

As well as a fine pair, she has a great 2019 in front of her – and her revelation that she has an exciting project as soon as she gets home set tongues wagging.

The TV presenter confessed the truth about her age during her appearance on ITV's *My Shirley Valentine Summer* last year, having previously told everyone she was 47.

More victims come forward after ITV serial killer drama

ITV's hit new drama starring Martin Clunes as the detective who caught serial killer Levi Bellfield has inspired more women to come forward as victims.

In three-part series *Manhunt*, which concluded last night, Clunes, 57, plays Scotland Yard's DCI Colin Sutton, who led the investigations into the monster's murders. It charts the true story of how he linked the 2004 murder of Amelie Delagrange to the murder of Marsha McDonnell in 2003 and the abduction and murder of Milly Dowler in 2002.

Mr Sutton, who has since retired, revealed that since the show started on Sunday three women have contacted him online to claim Bellfield (above) sexually assaulted them.

He said: "I've had another three ladies who have come forward to me via twitter to say 'I was attacked by Levi Bellfield and I never reported it to police'."

"I've made contact with them and I've made arrangements to speak to those who want to be spoken to and to try and help them."

He added: "It's not a complete surprise, to be honest."

THE COLD AIR SOOTHED MY PENIS

GARAGE OUTRAGE: Zangana rubbed cock near woman

Pharmacist 'accepted that he was engorged'

By COLIN HURST

news@sundaysport.co.uk

A PHARMACIST caught playing with himself on a petrol forecourt told cops he was just rubbing cream on his itchy willy.

A stunned cashier saw Alan Zangana, 33, fiddle with himself for ten minutes while looking at a woman at the city centre Texaco garage during rush hour.

When cops confronted him, he refused to confess – instead claiming he had been applying lotion and announcing: "I am a trained pharmacist."

He said he had wanted his penis to be "soothed by the cold air".

Disciplinary panel chairman Christopher Gibson QC told the General Pharmaceutical

Council: "We simply did not believe Mr Zangana's account. "He was playing with his penis while deliberately looking directly at a female member of the public who was only a few feet away. This was a brazen and deliberate act of sexual impropriety."

Lewd

Zangana was handed a police caution for outraging public decency over the lewd February 2017 incident.

But insisting on his innocence, Zangana told the panel he just wanted his penis to be "soothed by the cold air".

The panel was told: "His case

is that all he was doing was applying cream to his penis because it was causing him pain, and he had no intention that anyone else would see it.

"He accepted that his penis was 'engorged' because he was putting cream on it, but he denied that there was anything sexual about what he was doing."

But the cashier said Zangana "could not have picked a better spot" to be seen and played with his penis for up to 10 minutes.

Zangana was caught in St Albans, Herts, where he worked for the National Pharmacy Association. He continues to work as an education and training pharmacist.

The married pharmacist, of Hemel Hempstead, Herts, was suspended from his profession for six months by the panel.

SOCCER COACH KILLED 15 MINUTES BEFORE SEX TRIAL

CAR CRASH: Michael 'Kit' Carson

A FORMER youth football coach and scout was found dead in a single-vehicle car crash – just minutes before he was due to go on trial accused of the historical sexual abuse of boys aged under 16.

Michael "Kit" Carson, 75, had pleaded not guilty at an earlier hearing at Cambridge Crown Court to 12 counts of indecent assault and one of inciting a child to engage in sexual activity.

The allegations involved 11 victims, all boys under the age of 16, between 1978 and 2009. Carson had worked

at Norwich City, Peterborough United and Cambridge United.

His trial was listed to start at Peterborough Crown Court on Monday morning. The court was told details of his death on Tuesday.

Collision

Prosecuting, Jeremy Benson said: "The defendant died yesterday morning."

"He was involved in a road traffic collision at about 9.45am yesterday morning."

"No other vehicles were involved."

"An investigation is being carried out and I therefore don't propose

to go into any other details.

"The position is that the car was registered to Mr Carson and the person who died was of the appropriate age and had in his possession identification documents in the name of Mr Carson."

"And also yesterday afternoon, at 4.30pm, the body was identified by Mr Carson's widow."

Inspector Amarjit Singh told the court the body of Carson was formally identified by his wife Pauline.

Judge Matthew Lowe ruled that the case file be closed.

Carson, of Riverside,

Cambridge, had been on bail.

In a statement, Cambridgeshire Police said that Carson was driving his red Mazda 3 when it left the road and went into a tree on the A1303 at Bottisham, around seven miles east of Cambridge.

A spokesman said: "Emergency services attempted to save Mr Carson's life but he was declared dead at the scene a short time later."

"No other vehicle or person was involved in the collision."

Half-nude 'cop grope' nut jailed

A MAN who sexually assaulted and hit a police officer while half-naked and wielding a For Sale sign has been jailed for three-and-a-half years.

Luca Jelic (above), 30, grabbed the female cop's crotch in the attack in Sheffield, on April 27.

Two female officers had been called to reports of a man damaging parked cars.

When they arrived outside Jelic's flat at about 3.30am, Sheffield Crown Court heard he confronted them with the sign held like a spear, naked from the waist down.

Jelic shouted sexual comments, including, "lovely girls for me to rape" and "I love sex".

Tests revealed he had taken ecstasy, and other drugs were found at his flat.

At a previous hearing the female officer, who cannot be named, told the court she tried to disarm Jelic with her baton but he hit her in the face with the sign.

A struggle ensued with Jelic grabbing her crotch.

He was found guilty of sexual assault, actual bodily harm, possession of a Class A drug and criminal damage.

Drunk's oral sex disgrace

A MAN made an obscene gesture towards a female police officer while he was out drinking.

Leon Green simulated oral sex as he stood outside a Wetherspoons, shocking a passing police officer.

When she came across the male an hour later she warned him about his behaviour but he made the same gesture again and was given a penalty notice for drunken behaviour, which he later disputed.

Green, 32, of Yeovil, pleaded not guilty to a charge of being drunk and disorderly on June 6 last year when he appeared before Somerset JPs at a previous hearing.

The matter had been adjourned for a trial, but on the day of the hearing Green did not attend so the trial was conducted in his absence and found guilty.

Magistrates issued a warrant for his arrest.

ALLEGED VICTIM IN CRICKETER RAPE TRIAL BREAKS DOWN IN COURT:

'I was tipsy...but well aware of what I was doing'

DENIAL: Alex Hepburn

A WOMAN alleged to have been raped by a cricketer broke down after being asked about her "hazy" memory of consensual sex with one of his team-mates.

The complainant – who cannot be identified – asked for a break in her testimony after becoming tearful during questioning on behalf of Worcestershire all-rounder Alex Hepburn.

Hepburn, 23, denies raping the woman, who told the court she was initially asleep and wrongly thought she was having sex with former Worcestershire batsman Joe Clarke.

A jury at Worcester Crown Court has been told both Hepburn and Mr Clarke were involved in a sexual conquest "game" – after

By COLIN HURST

news@sundaysport.co.uk

setting up a "stat chat" page to keep a record of sex with women.

During her evidence on the second day of the trial, the alleged victim rejected a suggestion that her memory of her initial sexual contact with Hepburn was "not completely clear".

Tipsy

Hepburn's lawyer, Michelle Heeley QC, asked the woman whether she was "fairly drunk" after drinking wine, prosecco and spirits during a night out prior to the alleged rape in April 2017.

She responded: "I was tipsy but well aware of what I was doing."

After the woman told the court some of the details of

what happened on the night were "a bit hazy", Ms Heeley asked her whether she had remained still during sex with Hepburn.

The witness, giving evidence from behind a curtain, then began sobbing and accepted the judge's offer of a break in the proceedings.

Following a 15-minute adjournment, Ms Heeley suggested that Hepburn and the woman had "moved around the bed" during the alleged rape over a period of at least 20 minutes.

The alleged victim told the jury: "I was asleep. From what I can remember I was lying still on my back."

During her evidence, the woman conceded that she did not have a "100 per cent clear" memory of having consensual sex with Clarke before the alleged rape.

But she denied that she had felt Hepburn get into

bed, woken up, opened her eyes, begun to kiss him and then performed a sex act on him.

Ms Heeley said: "The fact it continued for 10 minutes, I suggest, shows it was something you were actively enjoying and engaging in?"

The woman responded: "No. My eyes weren't open."

Pushed

Ms Heeley went on: "Nothing that you had said or done would have told Mr Hepburn that you weren't enjoying this sex?"

The woman replied: "I pushed him off when I realised, but before, no."

Earlier in the trial, the jury was told Hepburn raped the woman after helping to set up a sexual conquest "game" with friends on WhatsApp.

Jurors heard the victim initially believed she was

still in bed with Mr Clarke, who had left the room to be sick, after waking up to find Australian-born Hepburn performing a sex act on her.

Opening the prosecution's case on Monday, Miranda Moore QC said the alleged victim realised she was not with Mr Clarke when he spoke in an Australian accent.

The prosecutor told Worcester Crown Court a member of the public dialled 999 in the early hours after finding the complainant "distressed and crying" in the street in April 2017.

Ms Moore said the woman had sex with Hepburn as she believed he was "the man she fell asleep with" and was left horrified when she realised he was not Mr Clarke.

Hepburn denies two counts of rape, claiming the alleged victim was awake and that initial kissing led to consensual sexual contact.

KISSING CLAIM: Gasza has denied sexual assault

GAZZA DENIES TRAIN SEX ASSAULT

Ex footie ace told 'be quiet' by judge

FORMER England footballer Paul Gascoigne will defend himself against a sex assault charge by saying he has a propensity to kiss people "in a non-sexual manner", a court heard.

The 51-year-old was arrested in August while travelling on a train between York and Newcastle for allegedly kissing a woman without consent in Darlington.

He appeared at Teesside Crown Court to enter a not guilty plea to the single charge of sexual assault.

His barrister Michelle Heeley QC told the court that a number of character witnesses will give evidence "about his propensity to kiss people in a non-sexual manner".

During the 10-minute hearing, Gascoigne had to be asked to be quiet by Judge Simon Bourne-Arton.

The ex-footballer wearing a blue suit and an open neck shirt, appeared upset when he sat in the dock. He stated his full name,

date of birth and when he was asked his nationality, replied: "English, Protestant."

After hearing his trial could not be accommodated before October 14, Gascoigne called out: "Sir, Your Honour."

The judge replied: "Be quiet."

Gascoigne said: "I'm worried to bits. I'm scared."

His solicitor, who was in court while his barrister was appearing via a videolink, then went to speak to Gascoigne in the dock.

The judge then told Gascoigne to be quiet again, to which the player said: "I'm tired."

During another conversation

with his solicitor, Gascoigne said the police officer who arrested him talked about football, and asked for an autograph.

The judge warned: "Everyone can hear what you are saying. It's in your interest to speak quietly."

Gascoigne, who played for Newcastle, Spurs, Lazio, Rangers, Middlesbrough and Everton, was granted bail ahead of his trial.

After being warned he must turn up for the trial, Gascoigne said: "I will do, your lord. I can't wait. I've done nothing wrong."

As he walked out of the court room, Gascoigne kissed his fingers and thanked the judge.

Nicked man had w*nk and dump in cop station

A FILTHY prisoner SPUNKED all over a cell and shat in a police station shower.

Reginald Roach (above) had been arrested over another offence and was in custody at Caernarfon police station.

While being held, he took a dump in the shower in the custody suite, forcing the police to bring in professional cleaners.

He also pleased himself in a cell, so cleaners had to be brought in again, and urinated in one during the time he was being held at Llandudno magistrates court.

In total, the bill for cleaning up after him ran to more than £310.

Roach, of Holyhead, Wales, admitted a charge of spitting at a custody officer before magistrates in Caernarfon.

The court heard Roach was also in breach of a conditional discharge.

He was handed a four-week jail term for that, to be served concurrently with the 20-week sentence he was given for damage to the cells and spitting at the custody officer.

HARD ON cream a pain in the eye for patient

A WOMAN suffered chemical injuries after being mistakenly prescribed HARD ON cream for a dry eye.

The anonymous patient, from Glasgow, had to be treated at A&E after mistakenly receiving Vitaros cream instead of ocular lubricant Vita-POS, a report in the BMJ Case Reports medical journal said.

She was treated with antibiotics, lubricants and steroids for her blurred vision and lid swelling.

The error led specialists from Glasgow's Tennent Institute of Ophthalmology to call for doctors to take greater care issuing medication.

One suggested remedy is the use of block capitals in handwritten prescriptions to avoid similar situations.

The patient recovered from the chemical injury within a few days.

Cops hunt 'sexual assault and racial abuse Chelsea fans'

A GROUP of suspected Chelsea football fans who sexually assaulted women and chanted racial abuse while on a train are being hunted by police.

Around 20 men made offensive chants in front of families and children before sexually assaulting a number of women, British Transport Police (BTP) said.

The group boarded the 18:22 service from London Paddington to Worcester on December 22.

BTP said the group were believed to be Chelsea supporters.

The suspects left the train at Worcester, BTP added.

On the day of the alleged incident, Chelsea were beaten 1-0 by Leicester City in their Premier League clash at Stamford Bridge.

DRUNK OUT COLD AND OUT OF GOLD

A DRUNK found slumped at a railway station platform has been jailed after pocketing a knuckle duster he told police he thought was a lump of GOLD.

Scott Humphreys, 28, was handed a 26-week sentence at Portsmouth Crown Court after he admitted having an offensive weapon.

Worried passengers called British Transport

Police to Cosham's rail station after spotting Humphreys with the gold-coloured knuckle duster.

Prosecutor Anthony Bailey said: "He thought it was gold and had it in his pocket for safekeeping and took it home."

"When he examined it he hadn't seen anything like that before but realised it wasn't gold and couldn't sell it."

"Police found him crouched on the floor on the platform, clearly under the influence of drink."

"They searched him and located a gold knuckle duster in the right hand jacket pocket."

The court heard Humphreys had been drinking while travelling from his home in Leigh Park, Hants, to Cosham.

GOLDEN GLOBES STAR'S LESBIAN SEX ACT SHOCK

OH WOW! Sandra won gong for *Killing Eve* and (top) had porn star role in *Six Feet Under*

KILLING Eve actress and Golden Globes host Sandra Oh has a kinky LESBIAN SEX and DOUBLE PENETRATION secret!

The star won plaudits by praising the diversity at this year's Golden Globe Awards as she became the first woman of Asian descent ever to host the show.

In a moving opening monologue she praised the "faces of change" she saw in Hollywood, saying the "moment is real".

She went on to win the award for Best Actress in a TV Drama, the first Asian woman to do so in almost 40 years.

Saucy

Sandra, 47, who played an MI5 officer hunting a serial killer in the hit BBC2 show, raised eyebrows when she introduced three actors onstage by saying: "Break out the tissues, because you're going to want to masturbate to all of them!"

But that saucy line

By **GRACE HOOPER**
news@sundaysport.co.uk

was NOTHING compared to the spicy character Sandra played in a 2001 episode of the dark funeral director comedy *Six Feet Under*.

In that, Sandra played a porn star attending the funeral of Viveca St John, a grumble colleague killed in a freak cat/heated rollers/bath accident.

Sandra's character goes on to talk licking-out LESBIAN SEX and eyewatering DOUBLE PENETRATION over the deceased's open casket.

Double penetration is

the porn manoeuvre that involves one man putting his penis in a woman's vagina while a pal inserts his erect manhood into the same woman's puckered anus.

Sandra's character, 'Porn Starlet', said in the episode: "I had never gone down on a girl before, so naturally I was nervous."

"But Viveca was so warm and relaxed about it, she really put me at ease."

"And when I first had to do double penetration, I was like a total wreck – but Viveca came through like such the pro that she is... I mean, was."

64m fatberg clogs up seaside sewer

A GIANT fatberg bigger than Nelson's Column has been found blocking a sewer in a seaside town.

The 64metre-long mass of hardened fat, oil and wet wipes has been discovered in drains in Sidmouth, Devon.

Fatbergs form when things including fats, nappies, wipes and sanitary towels are put down toilets – and this one could take two months to remove.

South West Water's director of wastewater, Andrew Roantree, said: "It shows how this key environmental issue is not just facing the UK's cities, but right here in our coastal towns."

"It is the largest discovered in our service history and will take our sewer team around eight weeks to dissect this monster in exceptionally challenging conditions."

DEALERS SELL VEGAN COCAINE TO SNOWFLAKE JUNKIES

DICK:
Met boss
Cressida

DARK web dealers are targeting snowflake middle class users by claiming their drugs are "vegan" and "ethically friendly", the National Crime Agency has warned.

Dealers have been found selling "organic vegan" LSD, "green" coke, "ethically sourced" Mephedrone "harvested from sustainable farms in Brazil" and "vegan and paleo matcha mint choc chip" cannabis cookies.

Surge

It comes as Cressida Dick, the Metropolitan Police Commissioner, warned the growing demand from well-off users for cocaine was leading to a surge in violent crime in London.

She said: "There's this challenge that there's a whole group of middle class people who will sit round happily talking about global warming, fair trade, environmental protection and organic farming, but think there's no

harm in taking a bit of cocaine. Well, there is. There is misery throughout the supply chain."

An investigation found dealers are trying to cash in by marketing their "sustainable" drugs to the growing number of eco-conscious and affluent buyers.

One dealer claimed "none of our revenue will ever go to any criminal organisations involved in human trafficking, prostitution or other ethically and morally untenable practices".

The National Crime Agency claimed the ploy was little more than a scam to hike up prices.

A spokesman said: "The 'ethical' claims are unlikely to be much more than a marketing ploy to entice new trade and charge a premium price."

"Most new psychoactive substances are sourced in China and the NCA is not aware of any 'ethical' supply chains from that region."

Man injures cock in shop rampage

A NAKED man injured his PENIS when he wrecked an antiques shop in a drunken rampage.

Timothy Wood, 27, is facing several charges including breaking and entering, assault and public intoxication.

The owner of 410 Vintage in Fayetteville, Arkansas, says Wood started breaking and throwing items, including glass vases.

The shop flogs old junk at inflated prices to hipsters and others.

After the owner got Wood outside he said he jumped on cars and threw drinks at passing drivers.

Police arrived and arrested Wood, who could not explain why he wasn't wearing any clothes.

He was treated by paramedics at the scene for vase fragments in his Johnson, prior to being hauled off to nick.

As Crystal Palace keeper Wayne Hennessey denies Nazi salute...

A REICH-LY STORY!

NO ARM IN THIS:
'Waving' Wayne

By **BARNEY SAMUELS** news@sundaysport.co.uk

CRYSTAL Palace goalkeeper Wayne Hennessey has denied making a Nazi salute during a meal with his team-mates.

The Wales international, 31, was pictured with his right arm in the air in a photo posted on Instagram by Palace midfielder Max Meyer, who is German.

The picture was taken after Palace's FA Cup third round win over Grimsby.

Hennessey said he "waved and shouted at the person taking the picture to get on with it" and "put my hand over my mouth to make the sound carry".

In a post on Twitter, he added: "It's been brought to my attention that frozen in a moment by the camera this looks like I am making a completely inappropriate type of salute."

"I can assure everyone I would never, ever, do that and any resemblance to that kind of gesture is absolutely coincidental. Love and peace Wayne."

OK, Wayne. We believe you. Thousands wouldn't.

And here are a few more people caught making "inappropriate" gestures...

FATHER TED

FATHER Ted really WAS gesturing as he was talking to some pals inside his Craggy Island vicarage and it was just a coincidence that a little square patch of dirt made it look like he was sporting a little Charlie Chaplin-style.

Unfortunately for Father Ted, members of the Craggy Island Chinese community were passing at the time and Ted had to do some quick talking to avoid accusations that he was a big old racist.

FREDDIE STARR

ONCE upon a time, Freddie made a good living out of dressing up as a Nazi and speaking in an amusing German accent.

Unfortunately, as Germany rose again as a superpower after its reunification, taking the mickey out of the Germans' genocidal past became politically incorrect.

And Freddie's Sieg Heil salutes became "troublesome".

Fortunately, the quick-witted funnyman had a plausible explanation.

He told the world he was NOT doing a Nazi salute but had merely put his arm out to catch a hamster that a pal had thrown for his lunch.

ADOLF HITLER

THE controversial Austrian-born German statesman has been blamed for many things, including the outbreak of World War II.

The last thing he needs on his plate is an accusation he makes inappropriate Nazi gestures.

Photographed at the Nuremberg rally ground in Germany, Herr Hitler certainly appears to be doing the "Sieg Heil" salute.

In fact, as he explained to reporters, "I had just thrown a frisbee to my good friend Otto!"

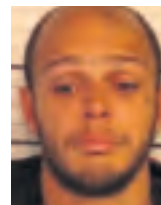

BASIL FAWLTY

WHEN Torquay hotelier Basil Fawley was caught doing the notorious "goose step", he could have landed in hot water.

The marching technique was invented by the Romans but brought bang up to date by Italian fascists and their pals, the Nazis.

Mr Fawley explained he was NOT doing the goose step but was in fact performing a groin exercise recommended by his doctor for gyp caused by a wound he got in the war (Korean!)

KFC w*nker 'ejaculating and laughing'

A MAN was arrested for the 25th time after he furiously masturbated and "ejaculated constantly" in front of customers in a branch of KFC while laughing like a maniac.

Michael Birdsong, 30, was nicked on New Year's Day in Memphis, Tennessee, after a police chase that ended in the toilets of a Wendy's burger restaurant.

A horrified mother witnessed his antics when she pulled into the car park of the fried chicken brand's branch.

"I looked up and it was this man that was exposing himself, ejaculating constantly," said Lakisha Tate.

"When he saw us looking, that's when he really started playing with himself and laughing."

When cops arrived, Birdsong (above) fled and barricaded himself inside the Wendy's loo.

He is charged with criminal trespass, disorderly conduct, evading arrest, indecent exposure and obstruction of a highway or passageway.

Jap mag 'sorry' for uni sex claim

A MAGAZINE apologised for an article ranking women's universities on how easy it is to convince students to have SEX at drinking parties.

The list in the December 25 issue of the Japanese weekly magazine *Spa!* sparked outrage, particularly online where one woman launched a campaign seeking an apology and suspension of sales of the offending issue.

Her petition on the change.org platform accused the article of "sexualising, objectifying and disrespecting women".

It had collected support from more than 28,000 people by Tuesday.

The article was about a practice the magazine described as "gyaranomi" – or drinking parties that male participants pay women to attend.

It said the parties are popular among female college students.

GAME of Thrones star Natalie Dormer has taken on another regal role alongside George Clooney in a new medieval-themed Nespresso advert.

The actress, 36, who played Margaery Tyrell – eventually Queen Margaery – in the hit HBO series, appears as a queen while Clooney, 57, takes on the role of her knight in shining armour.

The advert sees the actor slay a dragon to save the queen's kingdom.

Nudity

Why do top stars make ads? Simple. MONEY.

The cash they get from ads dwarfs any buncie they get from making a movie.

Strict rules prevent nudity in ads on British TV but, thanks to the magic of the *Sunday Sport* picture library, we've got some of Ad-land's most famous faces with their busters out.

Makes you want to run out and buy the goods they're flogging, doesn't it?

No, me neither.

AS TV DRAMA TELLS THE STORY OF EVIL LEVI

STEPHEN GRIEVESON: THE SUNDERLAND STRANGLER

THIS calculating sicko was so desperate to hide his gay tendencies he went to great lengths to destroy all the 'evidence'.

Those lengths saw him strangle four of his lovers before burning their bodies.

Over a four-month period in the mid-90s, the former fairground worker murdered three teens in Sunderland. It later came out that he had killed another boy four years earlier.

At Grieverson's trial, a jury heard how his deep shame had inspired his post-sex routine.

But prosecutor John Milford QC said there was another reason why he killed.

Mr Milford told the jury that Grieverson was a gay man who was either "unable or unwilling to accept his sexuality", and that he killed his lovers for two reasons.

One was to "prevent them from revealing that he had demonstrated his sexual preference to them".

The other reason was "simply because he enjoyed killing them and setting fire to their bodies".

And the then young man - he was in his early 20s - almost got away with his crimes.

Choke

He used a ligature to choke 18-year-old Thomas Kelly in an abandoned allotment shed on November 26, 1993.

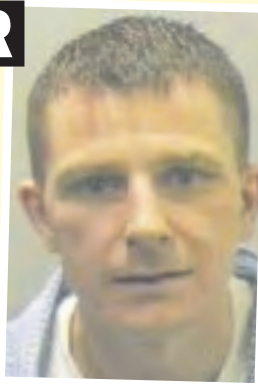

Then on February 4, 1994, he killed David Hanson, 15, in almost identical fashion.

He murdered David Grieff, also 15, on February 25.

The cremated bodies of Kelly and Grieff were found in burned-out huts on allotments, while Hanson's remains were later discovered by firefighters tackling a blaze at a house on the city's seafront.

He was interviewed by Northumbria Police after each of the deaths, but was only charged several months later.

This was because his victims' bodies were so badly charred, post mortem exams did not indicate the cause of death.

And it took Britain's top two pathologists to find that all three of the local youths had been strangled.

Initially, Grieverson denied all three murders but was found guilty on all three charges and in 1996 he was sentenced to three life sentences, with a minimum of 35 years.

After the hearing, Det Supt Dave Wilson said: "Grieverson is a very dangerous man who should not be released."

"He would have gone on to kill again."

Tommy Kelly, the father of Grieverson's first victim, added: "It is a great relief that this monster is off the streets so no other family will have to go through what we faced."

At the killer's original trial, it was revealed he was also suspected of murdering 14-year-old Simon Martin, who was killed in Gilside House, Roker, in 1990.

In 2013, more than two decades after the boy's death, Grieverson was convicted of his murder.

During the trial, the jury heard how Grieverson wrote to his victims' families in 2004, but not to his relatives of young Simon.

He wrote: "I took a piece of your heart away from you that night. I'm sorry. Why? I don't know. Forgive me. So sorry for destroying your family. You hate me. I'm horrible, I know."

It's likely that Grieverson will spend the rest of his life behind bars.

BRITAIN'S KILLERS

JOHN SWEENEY

WHEN John Sweeney was jailed for life in 2002 for the horrific attempted axe murder of his girlfriend, police who had searched his London flat feared the gruesome crime was just the tip of a blood-soaked iceberg.

Stored in the building were more than 300 explicit drawings, paintings and poems that seemed to offer clues to two grisly unsolved murders...and the twisted workings of Sweeney's mind.

Years earlier in 1990, American model turned photographer Melissa Halstead, 33, who had previously lived in the UK, vanished from her canal-side home in Amsterdam. Soon after, a woman's torso with its head and hands missing was fished out of a canal, although it wasn't until 2008 that a DNA match would prove the torso was Melissa's.

In 2000, Paula Fields, 31, from Liverpool, went missing from the London streets where she worked as a prostitute. Her remains, similarly dismembered but with the feet also missing, were found in holdalls floating in Regent's Canal in Camden, north London, in February 2001.

Both had had relationships with Scouse carpenter Sweeney, who was by 2008 six years into his life term for the attempted murder of his ex, Delia Balmer. She had survived his axe attack in 1994 but had lost a finger and had scars to her chest.

Sweeney had been on the run for

THE chilling tale of one of Britain's most brutal serial killers came to our screens this week.

Three-part *Manhunt* (ITV, 9pm) told the story of evil Levi Bellfield (above). Martin Clunes shrugged off his comedy persona to become real-life detective Colin Sutton, whose dogged work and attention to detail would eventually lead to the conviction of the man who murdered young Milly Dowler, French student Amélie Delagrangé and teenager Marsha McDonnell.

Manhunt showed that TV and cinema audiences remain fascinated with killers - and serial killers especially.

Today, in the second of our two-part series, we once again take an in-depth look at the life and crimes of notorious British serial killers...

six years, possibly living and working across Europe, when armed officers pounced on him in 2001 as he left a London building site. He struggled with officers who eventually overpowered him as he made a lunge for his toolbox, which had a revolver inside.

At the time there was not enough evidence to link him to the canal murders, but shortly before he retired in 2003, the lead investigator in Delia's case Det Ch Insp Norman McKinlay ordered a review of the

Sweeney case, and visited the brute at HMP Whitemoor in Cambridge to ask about the unsolved cases.

Smirking

"He said nothing at all," McKinlay said later. "He just looked at me, staring and smirking. His eyes always got me. He had piercing eyes."

But among the artwork Sweeney left was a drawing of a woman, called One Man Band, believed to be Melissa. When forensic scientists shone ultra-violet light on a section where correction fluid had been applied, it revealed a gravestone with the inscription: "Melissa Halstead, born 7 November 1956."

Another sketch, The Scalp Hunter, showed women tied up, and another showed Sweeney dripping with blood.

When Sweeney was brought back to court for his double murder trial in 2011, prosecutor Brian Altman QC told the jury: "Police found amongst his possessions often lurid and demonic sketches, paintings as well as pages of verse which reveal an obsessive and virulent hatred of women and a preoccupation with dismemberment."

New DNA evidence confirming Melissa's identity would prove to be enough to convict Sweeney and he was handed a whole life tariff for the double murders.

But immediately following his incarceration detectives appealed for missing women.

Scotland Yard's homicide and serious crime command said it wanted to identify a Scottish woman who may have been his girlfriend in the 1980s, possibly called Fiona, who shared a house with others in Hornsey Park Road, north London, in 1985.

Another woman police want to trace is a trainee nurse called Sue, from Derbyshire, who was said to have left for Switzerland in 1985.

And two former girlfriends of Sweeney, a Brazilian known as Irani, and a Colombian called Maria, have not been seen since the 1990s when they knew him in London.

PSYCHO brute Mark Martin had one mission in life, to be "Nottingham's first serial killer."

And in his vile bid to reach his sick goal, he targeted the city's vulnerable homeless community.

Martin was known as 'Reds' because of a colourful birthmark on his face. But it could also have been used to describe his foul temper, which he claimed stemmed from the time his ex-wife said she no longer trusted him alone with their son back home in Ilkeston, Derbyshire.

After being thrown out of the family home he immersed himself into the homeless world where the fiercely loyal community could not take to him. He robbed them of cash or whatever possessions they had and when he wasn't bullying them, he was boasting about the day he would become infamous.

MARK MARTIN

A community worker called Stephan, who had spent time with the city's homeless for six years, later said: "Homeless people have to give off a lot of bravado to survive, but

Martin was talking about how he was going to make a name for himself, that he was going to hurt people. We got the sense that there was something else - that he was capable of serious violence."

On December 29, 2004, Katie Baxter, 18, who had been living on the streets for a year, vanished. Two

days later another homeless girl, Zoe Pennick, 26, also disappeared.

The rumours started that bodies had been discovered at a derelict warehouse off Great Northern Close, a lonely spot used by the homeless.

On Friday, February 11, a police dog found the decomposing remains of Katie under carefully placed pieces of brick, soil and debris.

Buried

Five days later officers found Zoe's body, also buried beneath rubble, close to where Katie was discovered.

Both women had been beaten and strangled and police soon linked their deaths to that of Ellen Frith, 25, a homeless mother of two who'd been found in a burning squat in the

St Ann's area of the city on January 24. As police began interviewing scores of Nottingham's homeless, one name kept cropping up: Reds.

He was of particular interest to police as he had also used the squat in Marple Road. One detective who worked on the case said: "He was a bully with a short fuse and there was barely a homeless person in Nottingham who did not have a bad experience to tell about him."

Martin was arrested along with a homeless associate, John Ashley, and both were charged with Ellen's murder.

Cops learned that Ashley had once been in a relationship with her, while both Katie and Zoe were linked to both men.

As the police built a case against them for the murders of Katie and Zoe, Martin was on remand in jail, where he bragged to cellmates about becoming Nottingham's first serial killer. He told one lag: "If

you've killed one, you might as well kill 21."

Martin told the lag he'd taken Katie back to the warehouse for sex where he suddenly "snapped" and strangled her. She'd scratched him, so he burned her fingertips to remove any evidence.

He said he killed Zoe because she'd left a hypodermic needle in his bed, with the lag testifying: "He said he'd sorted her out and he'd 'smashed her legs up like biscuits'. He said it was hard and she didn't want to die. He was punching her and kicking her. In the end he stood on her throat."

Ellen was strangled after she went with the men and another, Dean Carr, to smoke drugs in the Marple Road squat.

Martin was found guilty of all three murders while Ashley and Carr were jailed for life for their part in Ellen and Katie's murders.

TEACHER BUMMED HERSELF WITH A DILDO TO TEMPT TEEN

SEXTING:

14, sent

A TEACHER faces jail after she was arrested for shagging a 14-year-old boy.

Dayna Chidester, 50, is believed to have used dildos on herself to tempt the teenager.

She was caught when cops investigating another crime at the school got a tip-off from a snitch.

Officers said the 14-year-old boy doesn't attend the school where Chidester taught clothing and textiles, and food and nutrition classes.

But police said he lives close to married Chidester.

Prosecutors said the teacher began texting the teen in September 2018.

The communication soon evolved into the two sexting and sending each other nude photos.

Grooming

Police found a "vast number" of nude snaps of Chidester, including several where she was "using masturbatory apparatus on her vagina and anus".

Later, they allegedly began having sex.

The sexual contact happened at Chidester's home, in her car and at local motels.

She is now facing charges of aggravated

criminal sexual abuse, indecent solicitation of a child and unlawful grooming.

In a statement, the Reed-Custer Community School in Braidwood, Illinois, said: "An investigation is ongoing. In addition to accepting Mrs Chidester's resignation, she will not be allowed on school property and will be barred from having any contact with Reed-Custer students."

In December, a band teacher was sacked after police said he possessed child porn.

Police also said child pornography charges could be filed in the future related to the images sent by text.

PE Sir's lesbo sex 'cure'

A SEX pest teacher offered to "convert" a 15-year-old lesbian and bragged to another about his "chocolate thunder" penis.

Wendell Nibbs (below), 51, a physical education teacher, is accused of raping the gay student, whose mother has now filed a lawsuit against the school.

Nibbs allegedly told the unnamed girl that all she needed was experience with a man "to be straight".

He was charged with sexual assault of that student in November 2017. Older claims have emerged since which claimed he showed another schoolgirl a photo of a woman's pierced vagina.

He is said to have told that youngster at Brownsville Middle School, Miami, that he was going out of town because his girl could not get enough of his "chocolate thunder" – an apparent reference to his penis.

JUICY Jodie Gasson has confessed she reigns supreme between the sheets.

The 27-year-old babe admitted she loves to take the lead in the bedroom – and she prefers to be in control when it comes to bonking.

Foreplay

Jodie, who sports an eye-watering 30F pair, revealed she likes her fellas to take it slow and steady and treat her to plenty of foreplay before the main event.

Brighton-born Jodie said: "In the bedroom I reign supreme. I like being on top – I always like to be in control."

"When it comes to sex, I like guys to be gentle."

"More fellas need to learn about the art of foreplay. Be gentle, don't go straight for the kill."

"Make sure you give a girl lots of attention and caress her all over."

"Don't just go for the boobs and ignore everything else, we like a lot of affection."

DO YOU SELL TAPE TO KEEP YOUR FLAPS IN?

SCANTY PANTIE: Clit slip fear over bikini bottoms

BEACH fans have been left in a flap by a swimwear firm's new bikini bottoms – claiming they're so skimpy they'll GAROTTE wearers' privates!

Online retailer Beginning Boutique promoted their Haymen Bikini Tee Red & White and Heron Bikini Bottoms in a Facebook post last week.

But the retailer's customers were stunned at the lack of material in the pants and took to Facebook to express their concerns.

Flossing

"Dental floss springs to mind!" one wrote, "wearing that will be like tooth flossing my mingie."

Another wrote: "I'd need my cervix waxed to wear that!"

And another added:

"Surely she's got those on back to front."

Others said that they would need every inch of their body waxed and would be guaranteed to suffer a wardrobe malfunction.

"Jesus Christ forget the bikini wax... I'd need my God d*n cervix waxed to wear that," one wrote.

"God, now we have

Yet another customer commented: "I just looked at that and my flaps retracted into my vagina."

And regular customer Bec Vella asked: "Do you sell vagina tape to keep your flaps in?"

Jamie Jayden Mason joked: "Like where is her fanny tho? Seriously my fanny would bulge outta this like an over flowing cupcake."

Miss not sorry for molesting pupil aged 14

A TEACHER has refused to apologise to her victim after being sentenced for molesting him in the 1980s when he was just 14.

Kathryn Joy Woods was 24 years old when she engaged in a sexual act with the victim, identified only as AB, in 1984.

At the time, AB's parents were overseas and she was staying with the boy at his home. Woods (*above*) had previously taught AB.

The pair exchanged love letters throughout 1984, however Woods maintained the pair "should not step over the line" – until August, when she molested him.

She was found guilty of one count each of indecent assault and gross indecency with a person under 16 by a jury in August.

She was sentenced to a two-year community corrections order, and 200 hours of unpaid work.

Outside Melbourne, Victoria, court, Woods, 59, said: "There wasn't a victim, he needs to apologise to me."

Shoppers' shock at street sex pair

A RANDY couple decided to have it off in the high street as shoppers milled around them.

Shocked onlookers saw the pair banging away under a white sheet.

A photo of the lewd act – outside Myer, a popular department store – was uploaded to Reddit on Sunday, with social media users laughing about who was having the best day in Melbourne, Australia.

One joked: "To be fair, the Myer sale can get pretty exciting."

"Who says romance is dead?" wrote another.

Cops nicked a man aged 27 and a 36-year-old woman.

STUNNA Vicky Pattison blasted 'bitter' trolls who moaned about her latest bikini selfies.

The 31-year-old former *Geordie Shore* star, who is in Mexico for her sister's wedding, came under fire from some of her followers after uploading more than 13 swimwear snaps.

Taking to Instagram Vicky thundered: "I woke up to quite a bit of negativity and hate on some of my pictures and I just felt so incredibly frustrated!!"

"Social media could be an amazing place where we motivate each other, complement each other, support, share love and experiences – but instead people use it to criticise, to spread bitterness and bile and I'm just a bit over it!!"

KELLY: MY BIG BOOBS CRIPPLED ME

Star struggled to get a jumper over them!

MEGA-BOOBED Kelly Brook put on so much weight that her massive knockers crippled her back and left her unable to pull a jumper over them.

The 39-year-old beauty has always boasted an impressive set of busters – but last year they got out of control after she piled on a few pounds.

Lazy

She has now lost more than a stone and got her wumbas under control thanks to a strict diet.

Before the weight loss, Kelly admitted things were looking

bleak. The model and actress said: "Last year I lost my shape. I couldn't fit anything over my boobs and my waist nearly disappeared."

"I have always had an hourglass shape and that made me lazy. Because I'm naturally curvy, I'd think I can get away with a few pounds."

"Before you know it, my weight gain was hurting my neck."

"My boobs are really big and that put pressure on my frame. I ended up at the chiropractor."

"Now I've shed a stone and feel amazing."

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

MY bird is a real corker, but when we go out together other blokes are always trying to pull her.

Last week I was at a party when I walked in on my boss giving her one from behind!

She was hollering out in ecstasy as he was pumping her really hard and squeezing her massive tits at the same time.

Now I can't get the image of him shagging her out of my head and the upshot is that I'm thinking of dumping her.

Do you think I should?

PG, Cardiff

Ashleigh says...

YES, she obviously can't be trusted.

Dear Ashleigh,

A COUPLE of weeks ago I was out on the town and pulled a very tasty 35-year-old brunette.

She looked terrific in a tight red dress that showed her magnificent cleavage, and after some sexy chat she invited me to her city-centre flat.

She told me she was a wealthy widow and I noticed photos of a tough-looking bastard around the pad, but soon forgot about him when she sucked me off.

I met her a couple of times after that, and the last time she told me to take her up the bum.

We had a top shag and I was planning to see her again when I met a dodgy character in a nightclub.

He warned me that my new squeeze wasn't a widow, but the wife of a local gangster – an 18-stone brute due out of jail in a few days.

His nickname is "Blowtorch", because that's what he uses on people.

Now I'm shitting myself and I'm planning to leave the country.

Should I tell my family?

DG, Cambs

Ashleigh says...

INDEED – get packing!

A shoulder to cry on ends in lesbo romp!

Dear Ashleigh,

ME and my best friend have been pals for 14 years but I never knew she fancied women until we ended up having sex together.

It happened after my boyfriend dumped me and I went round to her house for sympathy and support.

As soon as she answered the door I burst into tears.

She sat me on the sofa, got out the vodka and we spent the next hour drinking and talking about what bastards men are.

I told her that I felt ugly, but she told me she thought I was gorgeous and that I really turned her on.

I was astonished and then shocked when she kissed me on the mouth.

My head was spinning as she said we would be more comfortable in the bedroom.

She slipped her fingers inside my panties and explored, before pushing me back on the bed and buried her face between my thighs before giving me the most amazing licking out.

When she kissed me again I felt the overwhelming need to go down on her and I lapped greedily at her pussy until she climaxed.

Afterwards I was pretty exhausted but so satisfied and we fell asleep together.

The next morning I woke up before my friend, felt embarrassed and left.

I don't want a lesbian affair and I haven't spoken to her since.

Now I'm wondering if we can still be friends.

SR, East Sussex

Ashleigh says...

YES – friends with benefits!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

I'm left me sexhausted by boss's nympho wife

Dear Ashleigh,

I AM a 20-year-old lad and I have started an affair with the 42-year-old wife of my gaffer.

We got talking at a works party and she confessed that her marriage was going through a rocky patch. She seemed to cheer up when I asked her for a dance and I felt my dick tingle when I held her close. Two days later she phoned saying her hubby was away on business and would I like to call round to her house.

When I arrived she was wearing a tight, low-cut top and a slit skirt and looked totally shaggable. She opened a bottle of bubbly, and within five minutes we were snogging hungrily on the sofa.

Moist

I ran my hand up her thigh and was soon massaging her moist fanny.

The foreplay drove her crazy and she tore off my clothes, peeled off her dress and got on all-fours on the fur rug.

She presented her backside to me and ordered me to give her a vigorous doggy-style shafting.

I was only too happy to nail her and brought her to orgasm twice in rapid succession before I withdrew.

But she still wasn't satisfied and sucked my cock until it was hard again before telling me to plunge it inside her again.

After 30 minutes of pumping I was

knackered, but she seemed like she could go on forever.

When I left she promised me another session soon.

But I am not sure I can stand the pace, and I am also worried that I'll get sacked if my boss finds out.

What should I do?

CH, South Yorks

Ashleigh says...

YOU are skating on thin ice. Only go back for seconds if you have another job lined up!

Dear Ashleigh,

I HAVE been with my boyfriend for two months.

We are the same age – 25 – and he's the best shag I have had in my life.

He is really filthy and gives me a good seeing-to as and when I need it.

The problem is when I am giving him oral sex he forces my head onto his manhood.

This I don't mind, but he really pulls my hair and, to put it bluntly, it really hurts.

I don't want him to think I am a prude so just go along with it, but if he continues then I don't think I can be with him any more as the pain is just too much.

How do I tell him?

BN, email

Ashleigh says...

MAKE up a little white lie and tell him that you love it when he pulls your hair like that, but he has to stop as it's causing you to have headaches.

He won't think you are a prude then.

Dear Ashleigh,

Cash-for-gash stripper fun

Dear Ashleigh,

AT the end of a boozy night on the town, me and a couple of mates tried it on with two strippers.

They told us that they'd give us a blowjob for £30 and a shag for a £50.

Both then stripped off and I got my knob out and watched as one sucked me off while the other was taken from behind while giving a blowjob and a handjob.

I was just about to come when the bird blowing me got off her knees and bent over the pool table and I sent my lovejuice into her.

I then went over to her mate and for my tenner I had her in both holes.

Lesbo

The girls each made £200 quid and I invited them round to my place a few days later.

In my room I set my mobile phone and filmed them having a lesbo romp.

Then they both sucked me off, before I came all over their massive tits.

I then had sex with both of them.

I paid them £150 each and they said in future they'll only charge £100 each for a threesome.

I think it's a bargain.

What do you reckon?

DA, email

Ashleigh says...

IT sounds like a good deal to me.

I WORK in the local factory as a cleaner.

Normally, there is nobody around after daytime shifts but one evening when cleaning I accidentally stumbled across a guy still in one of the cubicles.

I opened the door and he was yanking at his impressive member.

Being a shy 19-year-old girl, I didn't know what to say to him.

I was so embarrassed by the whole situation.

But I didn't need to say anything because, before I knew it, I was on my knees taking his full length in my mouth and down my throat.

He then picked me up, sat me on a sink and pushed my uniform up so he could slip my panties to one side and lap at my fanny.

Then he f**ked my sopping wet pussy and I could hear his balls slapping off the ceramic as I came furiously.

That was last week, and now he wants to tell everyone in work – including my manager.

What should I do?

GS, Bristol

Ashleigh says...

WARN him to back off or you'll let it be known that he's a secret wanker.

The guy sounds like an absolute jerk – just ignore him if he ever threatens you like this again.

DEBEE ASHBY

By SIMON DEAN

simon@sundaysport.co.uk

BUBBLY Debee's first newspaper glamour shoot was one to remember, as she posed topless together with her MOTHER!

Even though it was at the end of her mum's modelling career, the 37DD-22-34 lass from Meriden, Warwickshire, went on to be adored by fans up and down the country.

Never one to be out of the headlines for long, Debs went on to have a romance with Hollywood legend Tony Curtis in 1984. She revealed he "kept crying" during their two-week fling.

At 42 years her senior, Debee - then just 18, was launched into the limelight and her personal life became bigger than her career.

Debee went on to star in Electric Blue soft porn movies as well

as continuing with her glamour model career.

Today, Debee lives on the Isle of Man, has a young family and runs a restaurant, as well as a property development company.

#MY SEX FANTASY

WITH TOMMIE JO

'Finger up the bum is not any problem for me!'

By **WENDY THOMAS**
news@sundaysport.co.uk

HOTTIE Tommie Jo has a kinky New Year Resolution...forget going the gym, hers is to have more BUM FUN.

The glamour babe, who boasts 32G boobies, confessed she's a massive fan of anal play.

Tommie Jo, 31, from Romford, Essex, revealed her fella let her stick a finger up his chocolate starfish.

"I have always been quite good at getting him to try some new things," she said.

Arses

"He was really reluctant to do that, blokes are funny about having their arses toyed with – I think they think it will hurt or something.

"But when they want to do something to *your* bum it's always 'Nah baby, don't worry, this won't hurt a bit'.

"Luckily, my man doesn't have that problem with me though – I love a finger up MY arse during sex!"

Well, 2019 sounds like it's going to be a fun year for Tommie Jo and her man!

SHOW ME THE HONEY!

WELCOME to the interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

WHITNEY HOLMES

WAYNE Stokes is the lucky reader who selected the return of Whitney Holme's pert 34B assets.

The Edinburgh-based customer sales rep told us he goes absolutely crazy at the thought of the 24-year-old Brighton lovely.

Wayne, 30, said: "She seems to have the perfect body, there simply isn't a thing wrong with Whitney."

"Can you guys do the right thing and put her back in the paper, please?"

LORNA MORGAN

WE'VE been inundated with requests to see the return of 40-year-old bombshell Lorna Morgan.

Her whopping 30JJ jugs certainly impressed IT consultant Stephen West, 49, who got in touch begging for another snap.

The Cardiff stunna used to be a regular here at the *Sport*, so you can all thank Stephen for her return this week.

He said: "Always been a huge fan of Lorna. She'd be ideal to cuddle up to on these cold winter evenings!"

KEELEY DEAN

SO many people have been writing in for more of Keeley Dean's 32C bust that the calls simply couldn't go unanswered.

Chris Chisnall, 37, is just one of those who can't get enough of the Bicester-born wonder after admitting that the 27-year-old really gets him hot under the collar.

The Newport brickie said: "Keeley's tits are two of the best in the business, I trust you guys to deliver."

RIO? GRAND!

HERE'S your chance put the horror of the World Cup behind you in favour of some real Rio talent!

Suck Like A Brazilian may sound like the college course you wish your other half would sign up for but this amazing DVD is a celebration of the art of the BJ as performed by dusky South American lovelies.

It's from the house of Private so you know the girls, the studs and the production values are going to be tip-

top but it's the technique on show here that sets it apart.

These girls, led by the stunning Sandy Rio, could get wood from a dead man.

It's generally thought that football is the national sport in Brazil but after sitting through almost three hours of this stunning collection I'm going to suggest that they could also take of the world at c*** sucking!

We'd love to show you grabs but can't find any without a happy penis front and centre!

CHANCE: Skelton

Fuisse can make Taunton layers pay

WINNING POST

WITH BEN MORGAN

DAN Skelton looks to have found NOT THAT FUISSE (NAP) an ideal opportunity to open his account today at Taunton.

A once promising bumper horse hasn't yet scaled the heights many predicted he would but in recent outings he has shown a preference for good ground.

He looks a different animal on a better surface and with the ground still drying out, he looks a good bet around a track which is sure to suit.

He encounters four extra furlongs today but the way he was finishing up the hill at Cheltenham last time suggests he should have little problem getting the extra distance.

Earlier on the card at Taunton, I will be intrigued to see how ARCADE ATTRACTION gets on on his third start. He caught my eye in the paddock at Ludlow last time out as he is a real good looking horse who looks to be nearing peak condition.

He was given an educational ride where he was allowed to make good progress from the back and he arguably should have finished closer to an impressive winner had he not met traffic problems up the straight.

Maiden

That experience should bring him on further and I am hopeful he can run a big race here.

Up at Doncaster, Nicky Henderson will be hoping BEFORE MIDNIGHT can finally shed his maiden tag over hurdles. He has been running some good novices very close and came down at Chepstow when looking like he was about to go in.

There is no doubting his talent and I would say he has a fair enough mark in order to go handicapping so it may be telling that Henderson keeps him to maiden company.

You can set your watch by CORINTHIA KNIGHT on all weather which makes his last run at Wolver all the more perplexing. There must have been something wrong with Archie Watson's stable star as he was beat too far out to suggest otherwise.

Back at Kempton, where he seems to be at his best, he can get back on track. ■ Ben's Lucky 15 - Not That Fuisse, Arcade Attraction, Before Midnight & Corinthia Knight

FAB MOVE ON HOLD

CESC Fabregas must wait to leave Chelsea — until the Blues have brought in a replacement.

The Spaniard was expected to join Monaco this week and gave a tearful farewell to the supporters. But it appears that he will have to wait before heading to the south of France.

There was also some haggling over the fee with Chelsea wanting £10m from Monaco despite the fact that Fabregas can go for free in the summer.

The 31-year-old has just about penned a three-year deal with the French side, who are managed by Thierry Henry.

BY ANDY MILLOM

Blues boss Maurizio Sarri is happy for Fabregas to leave as soon as he brings in a new midfielder.

And he's prepared to make the Spaniard wait until the summer if he can't get any business done before the transfer window closes.

Fabregas has been called back to the Bridge.

Sarri said: "You know very well in this club there is a rule — the renewal of players over 30 is usually one year.

"I don't want a very important player like Cesc unhappy. If Cesc goes, of course we need a replacement."

Chelsea fans are likely to be underwhelmed by the names being linked with the club — Cagliari

playmaker Nicolò Barrera and Leandro Paredes of Zenit St Petersburg.

Neither club wants to sell this month but there should be a deal for one of them if Chelsea are prepared to stump up.

One player who definitely looks on his way out of Stamford Bridge is Callum Hudson-Odoi.

The 18-year-old has refused to sign a long-term deal with Chelsea and has his heart set on a move to Bayern Munich.

The Germans see him as the ideal replacement for Arjen Robben and will offer him the Dutchman's No10 shirt.

Bayern have upped their offer for the teenager to £32m having had at least two other bids knocked back.

Future

It is thought that Chelsea are happy to accept that fee but want to keep Hudson-Odoi until the end of the season.

Tammy Abraham is the third Blues player who is trying to sort out his future this month.

He was thought to be making an £18m move to Wolves having been on loan at Aston Villa.

Chelsea still see the 21-year-old as one for the future and want to keep him at the Bridge.

Abraham has had enough of being on loan and wanted the permanent deal with Wolves.

He has been on loan at Swansea and Bristol City before Villa where he has scored 16 goals in the Championship.

If the Wolves deal falls through Abraham will spend the rest of the season with the Brummies before trying to break into Chelsea's side in the next campaign.

It seems unlikely that Sarri will recall him this season despite the goal shortage from Alvaro Morata.

SAM AND DAVE POTTERS PICK

DAVID Moyes and Sam Allardyce are in the frame to take over from Gary Rowett as Stoke City manager.

The Potters have just fired the former Derby boss after nine wins in 29 matches in charge.

The draw against Shrewsbury in the FA Cup was the final straw and Rowett has been shown the door.

A club statement said: Stoke City have terminated the contract of manager

By PAUL THOMAS

Gary Rowett. Members of his immediate coaching staff have also left the bet365 Stadium.

"The club would like to thank Gary and his staff for their efforts over the past eight months.

"A new managerial appointment will be made as swiftly as possible but in the meantime Rory Delap, Kevin Russell and Andy Quay will take charge of

first-team affairs." Now it looks like a former Everton manager will be stepping into the hot seat.

Moyes has been linked with the job for the past month or so, but it seems that Allardyce is also in the running.

Stoke owner Peter Coates has long been an admirer of Big Sam and believes he could be the man to get the Potters back into the Premier League.

The 64-year-old has a track record of winning

promotion from the Championship having done it with West Ham and Bolton Wanderers.

Stoke chief executive Tony Scholes worked with Moyes at Preston and is thought to have him at the top of his list.

Both managers fit the club's desire to bring in an experienced manager and the Potters fans won't mind Allardyce's playing style if it brings results as it has with similar teams in the past.

CARABAO CUP SEMI-FINAL LATEST

Dream to beat champs booms Clough

BURTON BREWING UP AN UPSET BLASTS MANAGER

BURTON boss Nigel Clough says his players should "dare to dream" when they take on Man City.

The Brewers manager knows his League One side have little chance against Pep's lads in their Carabao Cup semi-final.

But he believes it is a magnificent achievement for a team from the third tier to get this far in the competition.

And they should make the most of the occasion — and try to win it.

Clough played for City and watched them spank Rotherham 7-0 in the FA Cup at the weekend. But that hasn't

By MARK NAYLOR

dampened his enthusiasm for tonight's match.

He said: "We are going to enjoy the experience.

"Nobody gives us much of a chance and quite rightly so. But it's great for our supporters.

"Some have followed the club for 40, 50, 60 years or more and never dreamt of being in a League Cup semi-final so let's enjoy it."

Clough is under no illusions about the size of the task facing Burton at the Etihad.

He added: "I watched them play Liverpool and they were pretty frightening at times.

Their work rate and ability all over the pitch was there for everybody to see. They also have strength in depth not just on the bench but below that.

"They have the best youngsters in the country at the moment, so whichever team they play has quality.

Strong

"Every game you have a chance but it's just about what degree that chance is.

"Ours is extremely slim but there is always a chance in football."

Guardiola is expected to field a strong team against the Brewers — just as he did against Shrewsbury. Kevin

De Bruyne, Raheem Sterling and Gabriel Jesus were all on duty in the FA Cup alongside Leroy Sané.

Guardiola wants to get the two-legged tie over and done with tonight so he can rest players at Burton on Jan 23.

Clough is expecting to see plenty of stars on show.

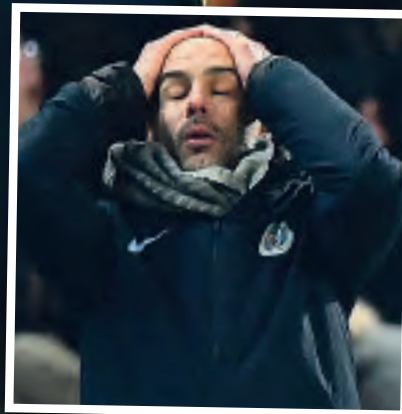

He added: "They are certainly going to have to have an off night.

"I can imagine all three teams when the draw was made, it's almost a bye for them into the final, and all they want is us.

"Especially when they've got so many big games, because they know they won't have to put their team out."

"It's almost a bye for them."

HOPEFUL: Nigel Clough believes his men can beat Guardiola's City

ROCKING: Claude Puel

PUEL NEXT FOR BOOT AT 13/8

BURTON Albion are the first side from the third tier or lower to reach the semi-final of the League Cup since Sheffield United back in 2015 when they travel to holders Manchester City this evening.

Burton have beaten three Championship sides and Premier League Burnley to reach the last four and I hope the Brewers and their fans have a great night at the Etihad.

City's 7-0 win against Rotherham in the FA Cup 3rd Round on Sunday suggests it might be a long night for Nigel Clough's side, however, and City are only 6/5 with BetVictor to beat Albion giving them a three-goal start on the handicap.

The 3rd Round of the FA Cup drew up any number of shocks involving second-tier Premier League sides although league-leaders Liverpool were the only potential winners who fell by the wayside.

Arsenal host Manchester United in Round 4 and we will thus have a maximum of four of the "big-six" teams in the last 16. City are 11/4 favourites with BetVictor with Chelsea 9/2, Spurs 6s — despite facing a visit to Selhurst Park later in the month — United and Arsenal 8s and West Ham and Wolves 14/1.

Leicester's Claude Puel is 13/8 with BetVictor to be the next PL manager to lose or leave his post after his sides 2-1 defeat at Newport County on Sunday.

Question

From the outside Puel's relationship with Foxes' supporters has always seemed a bit strained although he deserves great credit for how he and his side coped with the club's tragedy earlier in the season.

Ole Gunnar Solskjaer is 2/1 favourite to be in charge of Manchester United first team affairs on the opening day of the 2019/2020 season with BetVictor. The Norwegian has brought a smile back to the faces of the United faithful with the pace, energy and flair of their football, but the honeymoon period ends at Wembley on Sunday.

We will know more about how far United have come after their trip to Spurs given there is no question that the fixture list has been kind to Solskjaer since his surprise appointment until the end of the season following the sacking of Jose Mourinho.

Spurs v United is one of the most iconic and eagerly-awaited games of the season, but this weekend's fixture sees the two favourites to be in charge at Old Trafford next term go head-to-head.

More on the game later in the week but it is a fascinating sub-plot to what promises to be a great advert for the Premier League.

Who will be Manchester United manager on the opening day of the 2019/20 season; prices from BetVictor.

PADDY'S AN EASY RYDER

PADRAIG Harrington has been confirmed as Europe's Ryder Cup captain for 2020.

The Irishman won the Cup four times as a player from his six appearances and takes over from Thomas Bjorn who was successful in Paris last year.

Harrington, 47, won three Majors as a player and is looking forward to the challenge of retaining the trophy in Whistling Straits, Wisconsin.

He said: "I can go back as far as Sam Torrance and Ian Woosnam, who were very emotional, put their arm around your shoulder and made you believe that they believed in you. They gave you tremendous confidence."

"But I also played under Bernhard Langer, who was like a school teacher. To be honest, if I look at all of this, I'm not the fuzzy, cuddly type either so I might be more on the Langer-style of things."

CITY £100M DYB SWOOP

Pep launches bid for Juventus ace

MANCHESTER City are willing to pay £100m to get Juventus ace Paulo Dybala this month.

The 25-year-old has been in excellent form for the Italians this season — but the Argie playmaker wants a Premier League move.

City are thought to have made their opening offer that was turned down by the Serie A champions.

But they would be willing

to sell — especially as they want the cash to buy back Paul Pogba from Man United at the end of this season.

Dybala has been forced wide by the arrival of Cristiano Ronaldo and wants to be the main man through the middle for City.

He is seen as the ideal replacement for David Silva who has just turned 33.
